PETITION TO SAVE THE LIVING ROOM

Dear Santa Barbara Area Officials,

For 10 years The Living Room has operated in Goleta as a drug and alcohol-free, all-ages venue featuring live music and dancing. The goal of this non-profit club is to provide an entertainment alternative for people under 21, without the drunkenness that permeates other weekend night spots. The cities of Goleta and Santa Barbara are fortunate to have a safe, positive outlet for our younger adults to enjoy that is clearly a valuable community resource. Unfortunately, the Living Room is again being forced to relocate and needs your help finding a new location. We ask that the City Councils of Goleta and Santa Barbara, the Santa Barbara County Board of Supervisors, and the entire community promote the goals of the Living Room by lending its vigorous assistance in this relocation effort.

Sincerely,
